

Holiday Park Neighborhood Association Meeting Minutes

10/3/17

Meeting was called to order by Jack O'Guinn at 6:00PM

Welcome and introductions were made after the Pledge of Allegiance. 22 people present.

Minutes were discussed and approved as stands.

Tim gave his Treasurers report. Only one new member. \$592.39 in the bank. The discussion of a membership drive was decided that 10/21/17 at Hoover we would meet to walk the neighborhood.

Discussion to start spending some money on BCSO patrols. It was determined that we could only afford 4 hours in November and 4 in December. Our hope was 8 each month, not enough cash yet.

Discussion and voted to add Joyce Montoya as a replacement board member for Lori Battiste.

Open discussion went many directions. How to determine who are already member's, someone suggested a sign similar to security signs, other mention was a curb number with a unique color/symbol. All require funding so we tabled the vote for a later date.

Community Policing Council minutes were discussed, how many crimes in our area.

Website, FB page and e-mail address were given out to each person.

Continued discussion on fees for association. Many think \$40 is too low, we decided to keep it as is until we have more members. Tim is working on getting a credit card program through PayPal so people can pay online via the web site.
